

Rule No. 22

(N)

CUSTOMER INFORMATION SHARING

A. General

This rule establishes guidelines for the release of specific customer information to prescribed entities, if requested. The information will be used for the purposes of the calculation of local taxes, sewer fees, miscellaneous city fees and/or for conservation efforts whereby the calculation of these fees or the conservation efforts are dependent upon data held by Park Water Company ("Park"). Park will enter into non-disclosure agreements with the entities to ensure that the customer information is kept private and is used solely for the purpose(s) intended.

Park will only release the following information to local government (city and county), wholesale water agencies, other utilities, and/or entities involved in conservation programs if requested and for the purposes discussed above. In addition, Park will release the minimum amount of data necessary in order to meet the requirement.

- Account Number
- Customer Number
- Customer Name
- Service Address
- Consumption Data (usage)
- Usage/Read Days
- Service Establishment Date
- Service Termination Date
- Meter Size
- Type of Service

If an entity requires additional information or intends to use the information for purposes other than those mentioned above, Park will inform the entity that it cannot release that information without the customers' consent.
